Kalahari Resorts in Wisconsin Dells Expands the Guest Experience with the Opening of Cinco Niños, a Modern Mexican Restaurant & Tequila Bar
Restaurant features largest selection of tequila and mezcal in Wisconsin Dells

WHAT:

[Kalahari Resorts and Conventions](#), home to America's Largest Indoor Waterparks, announces the opening of Cinco Niños, a modern Mexican restaurant and tequila bar at their Wisconsin Dells location. Cinco Niños will feature made-from-scratch Mexican cuisine and offer the largest selection of tequila and mezcal in the Wisconsin Dells.

Kalahari opened its first Cinco Niños restaurant at their Round Rock, Texas, resort in 2020. Due to its popularity and success, they soon expanded the concept to their Pennsylvania resort in 2022.

"Now, we are excited to bring this vibrant restaurant to Kalahari's original location in Wisconsin Dells," said Chris Hammond, Corporate Director of Food & Beverage at Kalahari Resorts and Conventions. "There are so many wonderful flavors in Mexican cuisine that we have honored at Cinco Niños but given them a modern twist. Guests will enjoy favorites like shrimp tacos and sizzling fajitas, while also sipping handcrafted cocktails like the Millionaire Margarita or Spicy Watermelon Martini."

Cinco Niños adds a new dining offering to the resort's current lineup, which includes Kalahari signature restaurants [Double Cut Steak House](#) and Wisconsin Brew Pub, in addition to a variety of "grab and go" options throughout the resort. All of Kalahari's on-site restaurants are open to the public.

This opening is just one example of Kalahari's commitment to innovation. In 2024, guests at the Wisconsin Dells location can enjoy the recently [refreshed spa experience](#) with expanded service offerings and an updated space. Later in the year, Kalahari will offer greater booking availability with [the addition of 237 new rooms](#), an improved check-in experience with a newly renovated lobby, and even more new dining options including [Sortino's Italian Kitchen](#) for classic Sicilian cuisine and Café Mirage for quick service sandwiches, burgers and snacks.
